**Week 2 (June 19 - 23) Got Game**  
**Week 7 (July 31 - Aug 04) Championships**

Campers will be placed in small groups by grade and ability. They will receive training in the fundamentals of Football, Basketball, Volleyball, Tennis, Cricket and Soccer. This camp is designed to introduce beginning athletes to a medley of sports and to help beginning and intermediate athletes build sound fundamentals and techniques. The focus is to give young athletes a fun, experience..

**Week 1 (June 12 - 15) Loco Luau**  
**Week 8 (July 24 - July 28) All H2O**

Traditions, Water Sports, Water Engineering, and Teamwork is what these weeks are all about. Along with our regular summer camp offerings including swimming, we'll make extra time for some extra H2O fun! We'll take water-themed field trips, splash water balloons, go kayaking, fishing, have rubber ducky races, experience creek adventures, and water bucket brigade. A surefire way for all campers to COOL OFF THIS SUMMER!!

**Week 3 (June 26 - June 30) Marvel Comics**

Welcome to a history of comic books through the Marvel universe! In this camp students will learn about the origins of comic books and comic strips and an extensive history of Marvel and its founder Stan Lee. By the end of camp, students will have a wealth of knowledge on the history of Marvel comics and create a character & comic book.

**Week 4 (July 5 - 07)**

The Amazing Race is a competition, teams race around the camp. The week is divided into five stages; campers will complete a different stage each day. Each stage ends with a Pit Stop. The first team to arrive at a Pit Stop is awarded a prize. Most stages are non-elimination legs, where the last team to arrive may be penalized in the following stage. The final leg of each stage is run by the remaining teams, and the first to arrive at the final destination wins the prize.

**Week 5 (July 10 - 14)**

In our camps, students create interactive games and animations, starting with basic coding languages like Scratch Jr. Then we progress into more advanced languages and concepts such as modding Minecraft with Java,  
 Unlock your creative passion  
 Discover what makes you unique  
 Find your groove in the creative process

**Week 6 (July 17 - 21)**

The camp is divided into two teams - Blue and Red a.k.a Color Wars - for friendly competitions in outdoor events, relays, and banner competitions. Spirit Week teams are judged on sportsmanship, teamwork. Spirit is the continual flow of positive energy, enthusiasm and good will that permeates throughout our camp community. Our Spirit is the figurative soul, attitude and atmosphere at Explorer Club – invisible to the naked eye, but impossible for the heart to miss.

**Week 9 (August 07 - 11)**

Set your kids imagination and adventurous spirits free as they learn about the natural environment and the important skills of survival. Shelter, water, fire, and food. No matter what your child's background is, from never having camped before, to the most experienced nature enthusiast, they'll have a BLAST at this camp

**Week 10 (August 14 - 18)**

**Beakers & Bakerz**

Campers will be amazed when they, discover cool chemical reactions, .You know when you get that perfect flavour combination, together with the right texture and you are like WOW this is so GOOD...that's what this camp is!!  
 Not through luck, but through science.

**Week 11 (August 21 - 22)**

**All of your favorite camp activities and games combined into one fantastic week!**
