Covid-19 – Please see our website or the addendum at the rear of this newsletter for updated Covid protocols

Dear Parents/Guardians;

We would like to thank you for choosing the Explorer Club to be a part of your child's summer. Our goal is to ensure that you and your child will have a positive experience this summer. The key to our success is our well trained and caring staff. To ensure that our summer staff is qualified to work with your child, we require:

Background & Central Registry checks
16 Hours of training including Ages and Stages
CPR/First Aid Certification
Blood Borne Pathogens

Please take a few moments to read through this newsletter with your child. It will help familiarize you and your child with our policies and procedures. We are excited for summer and can't wait to share the wonderful times we have planned for your (child)ren. Thank you once again for choosing the Explorer Club to be a part of your child's summer!

EXPECTATIONS AND EVALUATIONS

Campers, staff, and parents all have expectations about summer camp. Health checks and masks may be required for attendance. The kids may get hot, cranky, and tired - however our goal is to create a meaningful camp experience, that they will never forget.

Throughout the summer, the kids will be asked to bring or wear things that will enhance their overall experience. It is important that you, as a parent, allow, encourage, and help your child to fully participate in all camp activities. Parents and campers will be given an opportunity to evaluate the camp throughout the summer. If you have any questions or suggestions, please communicate them to the Camp Director.

CHILDREN WITH SPECIAL NEEDS

The Director must be informed prior to enrollment if your child has special needs. Including, but not limited to those listed; IEP's, physical disabilities, chronic illness, dietary restrictions and/or medically fragile conditions, or Campers with allergies that have symptoms in common with the Coronavirus. If at any time we feel a child that has special needs and requires more individualized care than we are able to offer, we will consult the family. We will listen to and offer options to help us accommodate the camper. We will only rescind services when we feel the safety of the child(ren) is in question.

NOTIFICATION OF POLICY CHANGES

If for any reason, there are changes to the Explorer Club policies and procedures each family will be notified in writing. We will make every effort to inform all families before any changes take effect.

TRANSPORTATION - If Applicable

Children will be transported in Explorer Club vehicles or in contracted buses. Buses will be sanitized after all travel. All vehicles are inspected and have passed DOT inspections. All drivers must pass a Motor Vehicle Record check with the Department of Public Safety before driving an Explorer Club vehicle. Appropriate licenses are obtained for all drivers.

HOT WEATHER

Each Camper must bring a water bottle every day. All of our camp groups will spend lots of time outside. Precautions will be taken to combat the heat and sun. Water will be available, frequent water breaks will be given. **(Camp Tip)** Fill waterbottles at night and freeze for the following day to help keep the kids hydrated. The State of Michigan Licensing requires that all water bottles are labeled with camper's name.

PARENTAL VISITATION

At this time parents are not allowed in camp due to our new health policies. To visit the summer program at any time, please see the camp director. Each parent that wishes to participate, must have a current criminal background check on file with The Explorer Club. This process can take up to two weeks, any parent wishing to participate should begin this

process early. The Explorer Club reserves the right to deny participation to any parent wishing to participate in our program based on the results of their criminal background check or previous non-compliant behavior.

Lost and found

Please make sure to label all items your child brings to camp, i.e., lunch boxes, helmets, towels, etc.

Behavior

Our day camp programs are active, camp is more fun when campers fully participate in all the daily activities. If a child consistently chooses not to participate, the Camp Coordinator will discuss options and methods with the staff and parents about whether future participation is right for the child. All campers are expected to comply with staff direction as well as treat themselves, staff, fellow campers, and guests with respect and to act in an appropriate manner. Positive reinforcement and redirection will be used whenever possible. When dealing with inappropriate or unacceptable behavior, staff members will evaluate the problem with the child. If the problem persists, the parent/guardian will be notified. A discipline report will be placed on file. A continuation of the problem may result in the child's dismissal from the program. Campers may be dismissed from the program for willfully disobeying camp rules, city, or state laws, harassing another participant or staff members, leaving camp or group without permission, repeated use of inappropriate, racial/ethnic or abusive language. Failure of parents or guardians to pick up a child within a reasonable time frame (60 minutes from time of contact) will result in dismissal from the program. The possession of illegal drugs, drug paraphernalia, tobacco, alcohol, knives, guns, fireworks, matches, candles, any acts of theft, bullying, violence, or sexual misconduct will be grounds for immediate dismissal from camp. Although we hope to run summer camps on schedule, we will only do so under the advice and guidelines of local and state health authorities.

We are looking forward to the summer season. We know you will have questions and concerns, as do we, and we will do our best to keep you updated as we go along.

We will be implementing the following:

- ✓ Temperature checks
- ✓ Increased hand sanitizer stations
- ✓ Increased disinfection of frequently touched surfaces
- ✓ The possible use of face masks by staff and campers.
- ✓ Increased space between tables and activities
- ✓ Staggered arrival and departure times or specific drop off and pick up zones
- ✓ Sanitization of vehicles daily
- ✓ Staggered Lunch and snack times
- ✓ Increased self-serve foods

We appreciate your patience and continued support during this time.
We hope to have the rest of Camp information updated soon!

Best regards,

James I. Smith
